CROSS THE CURRENT

MPV X SUV

CROSS THE CURRENT

When you decide on the New Xpander Cross, you are not just entering a new world, you are crossing a new dimension in travel and mobility. You'll want to get ready to indulge in a world like no other: from a staunch, aggressive look, capable performance, to an interior designed for ultimate comfort no matter where you go. The new Xpander Cross has redefined what it means to own an MPV and SUV crossover.

CROSS IN STYLE

SUV-inspired Exterior Styling

With a sportier design, muscular wheel arches, and cutting-edge headlamps, the new Xpander Cross' streamlined silhouette is designed to seamlessly shift from adventure to everyday life.

New 17-Inch Alloy Wheels

T-Shaped Tail Lights

New T-Shaped
LED Headlamps

Roof Rails

Dynamic Shield Concept Fascia
Featuring bolder front and rear bumpers and a rear guard bar motif, the new Xpander Cross gives an authoritative look that evokes Mitsubishi Motors' revered SUVs.

**CROSS IN
PREMIUM
COMFORT**

Once you hop in, discover a cabin that's surprisingly luxe, with high-tech features that make for a more comfortable and enjoyable ride. Let the new Xpander Cross take you on a journey: one that will leave you feeling rested, content, and most of all, satisfied.

Enhanced Dashboard Design

4-spoke Steering Wheel

Engine Start/Stop Button

8" Full Color LCD Meter

Digital Climate Control

The new digital air conditioning comes equipped with a bonus: larger toggle switches that make driving much more comfortable. And when you need to rapidly cool down after coming in from the sun, simply press the MAX COOL button. With one click, enjoy cooling at full-power that keeps you comfy and cozy.

Smartphone Link Display Audio

Works with Apple CarPlay and Android Auto

Keep on track with directions, make calls, and yes, listen to your favorite tunes. With the Smartphone Link Display Audio (SDA), you can work your phone while keeping your eyes on the road and hands on the wheel.

Maximum Comfort for 7 People

Spacious cabin with versatile seating arrangements

High Quality Leather
with Heat Guard

Organized Storage and Convenient Power Ports for Everyone

Front Center Console Card Holder

USB Ports
(Types A and C)

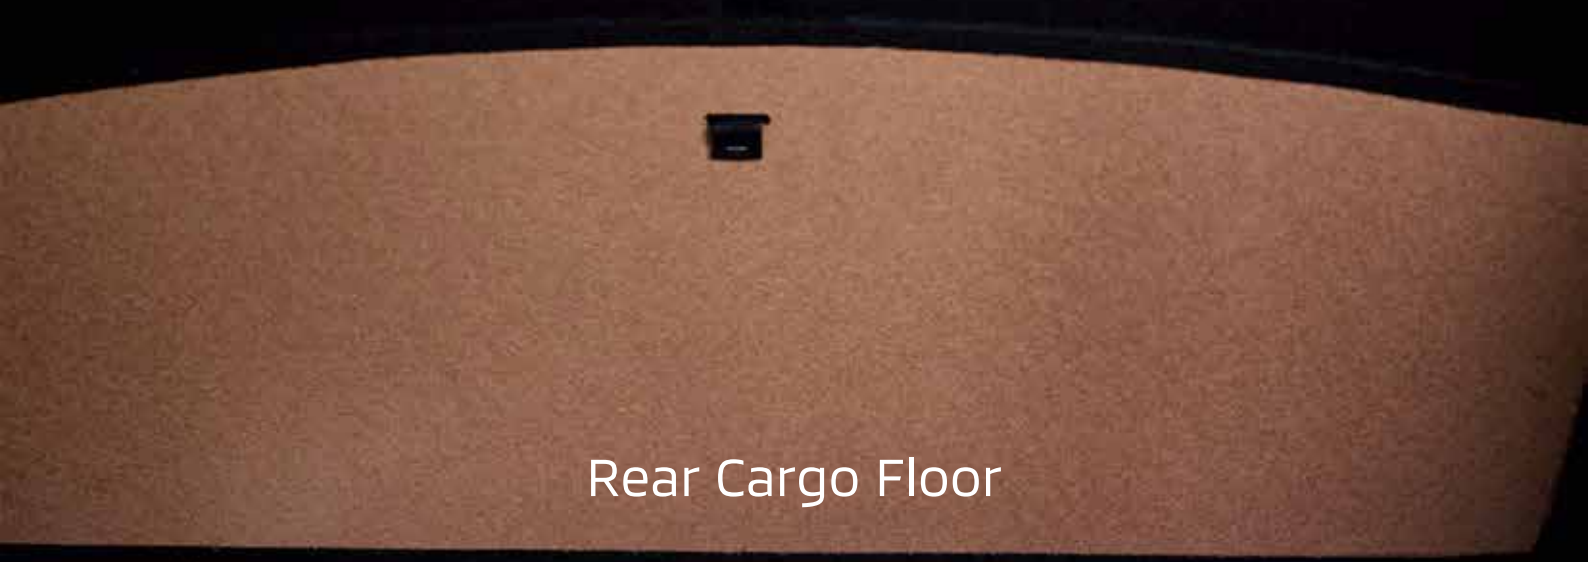

Front Console Box
with Tissue Holder

Seat Back Pockets

Front Seat Under Tray

Rear Cargo Floor

Quieter and More Comfortable Drive

Who wouldn't want a truly peaceful ride even when rolling through rough roads? Thanks to the engine noise suppressing insulators installed all around the engine room, and a soundproofing sheet placed within the windshield, road noise is kept to an absolute minimum you'll hardly hear a peep.

**CROSS WITH
CONFIDENCE**

Enhanced Driving Dynamics

Equipped with features that provide more confidence on the road, you can always trust the new Xpander Cross to take you and your family wherever you please safely and securely.

Active Yaw Control

Active Yaw Control (AYC) allows you to maintain control in slippery and curved paths by optimally applying braking force to either tire side. What's more, you can see AYC in action on the LCD display meter.

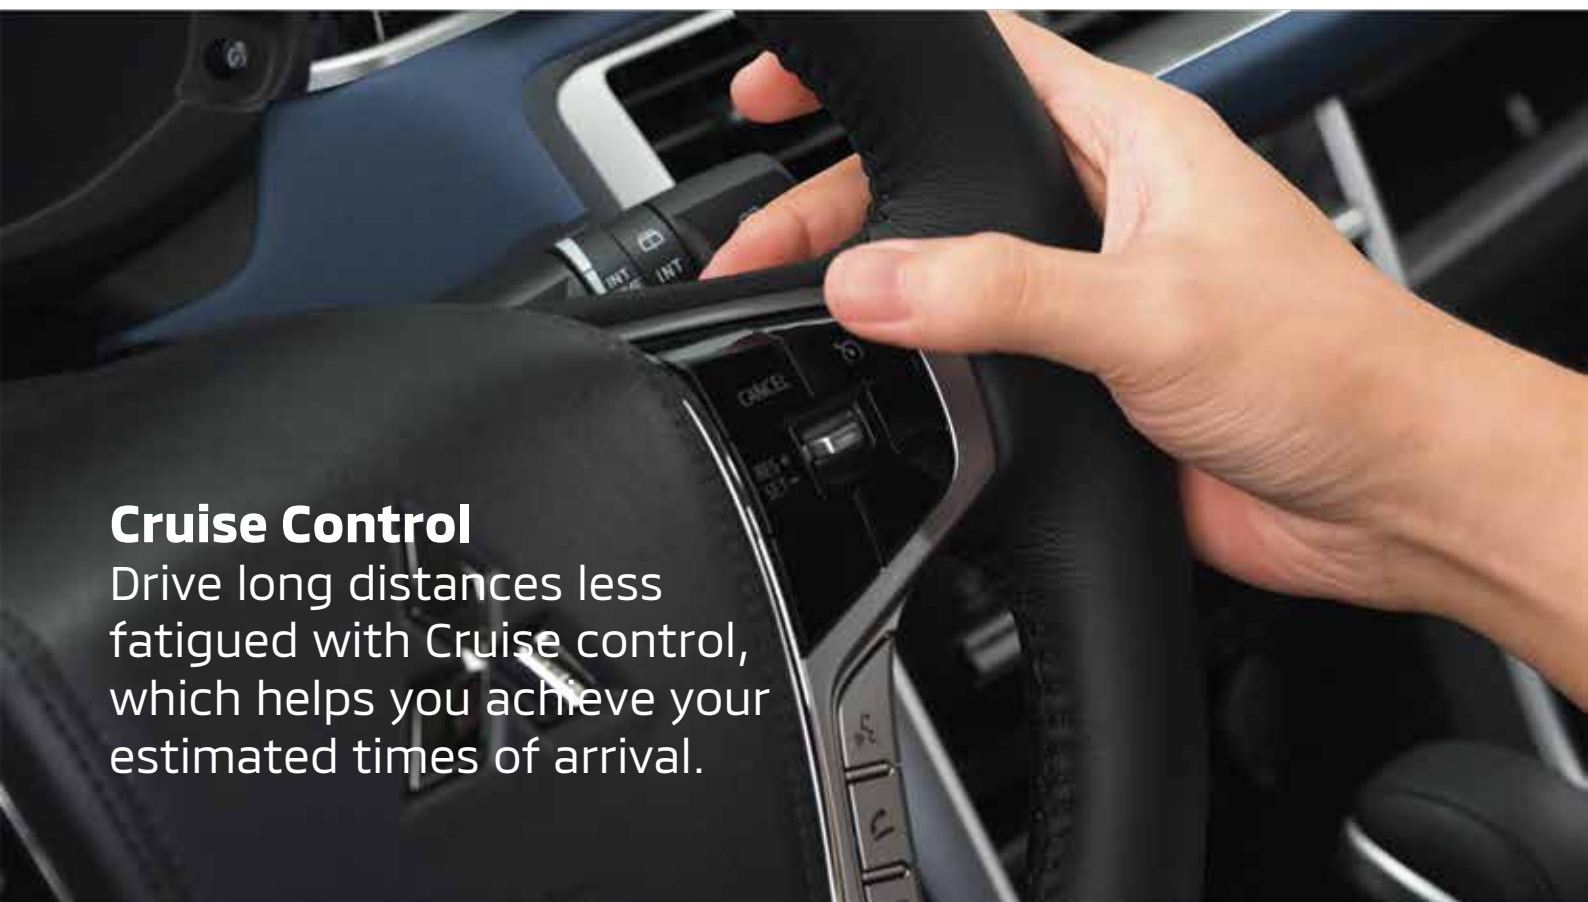

**Performance and Safety
in One Ride**

Electric Parking Brake Switch with Brake Auto Hold

Don't worry about keeping constant pressure on the brake pedal; simply push the switch and start driving without having to press down your foot continuously.

Cruise Control

Drive long distances less fatigued with Cruise control, which helps you achieve your estimated times of arrival.

Tilt and Telescopic Adjustment

The steering wheel can be moved up, down, forwards, and backwards to fit your ideal driving position.

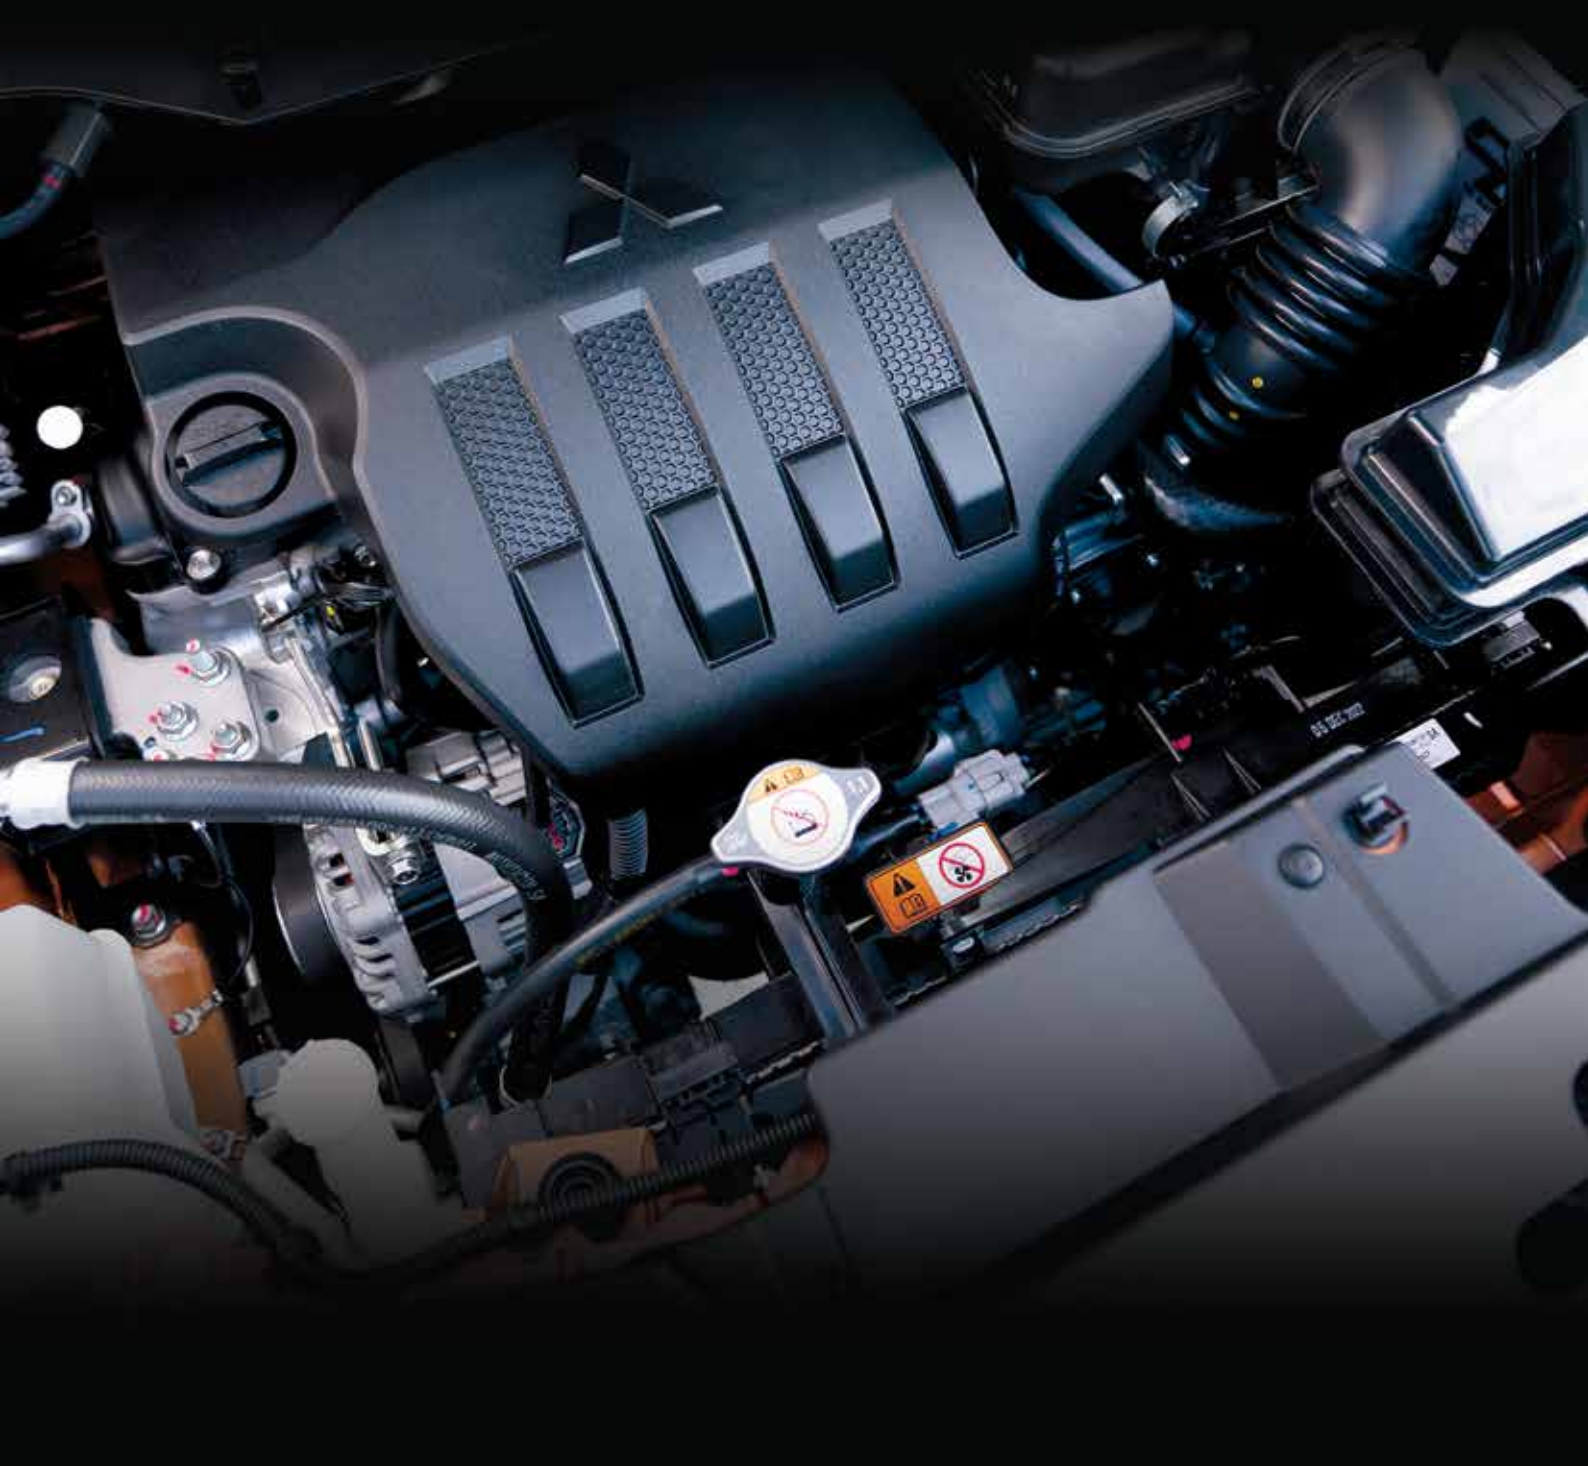

Quicker Steering Return

The sure return of the steering wheel to a linear position lets you easily maneuver in tight spaces or while driving at a slow speed.

**Best-in-Class 225mm
Ground Clearance**

1.5L In-Line 4 DOHC 16 Valves with MIVEC

The new Xpander Cross delivers plenty of power without sacrificing fuel economy via Mitsubishi Motors' very own MIVEC engine.

Improved Suspension

With the adoption of the same rear shock absorbers as the Mitsubishi Montero Sport's, enjoy superior riding comfort and responsive handling even on uneven highways and bumpy roads.

4-Speed Automatic

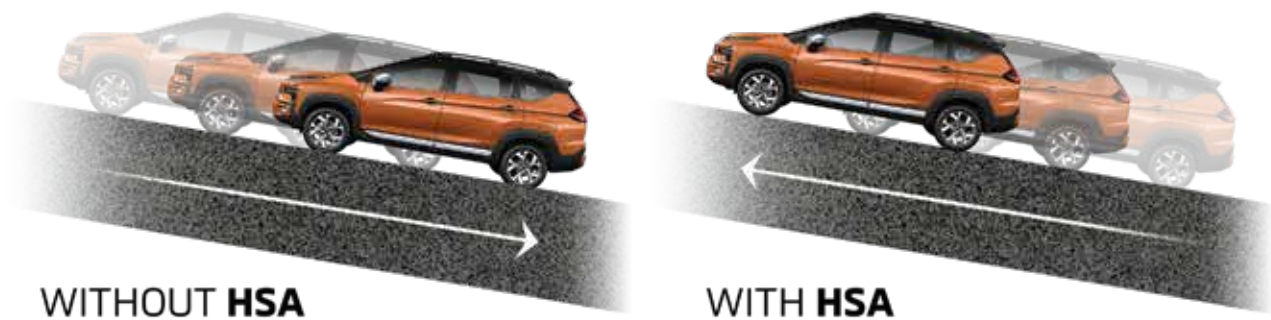

The 1.5L engine is coupled with a reliable 4-speed automatic transmission which delivers power to the new Xpander Cross' front wheels.

Hill Start Assist

For peace of mind during stop-and-go uphill driving, the HSA holds the brake force for you until the accelerator is pressed so you need not worry about rolling backwards.

Active Stability Control

With the ASC, the new Xpander Cross follows your steering intention as it adjusts engine output and brake force.

Backing Up Camera

Enjoy extra eyes with a backing up camera providing additional safety and convenience whenever you maneuver rearwards.

Driver and Passenger SRS Airbags

In frontal collisions, SRS airbags help protect front occupants by absorbing impact force.
